

- Courses listed below are subject to change.
- Prior to course registration, please consult your advisor at your home university.
- Prerequisites may apply
- Placement to language courses will be determined based on the results of a placement survey/test conducted during the orientation week.
- Students can only take one Japanese language course per semester.
- Some courses are cross-listed in conjunction between the subject areas (up to three areas). For these courses, the course numbers separated by a slash in between (e.g. PSCI/SOCI/ECON210).

| Cluster/Discipline          | Course Number     | Course Title  | Semester      | Credit # |
|-----------------------------|-------------------|---|---------------|----------|
| Foundation Courses          | FNDN100           | Academic Reading Across Disciplines                     | Spring & Fall | 3        |
|                             | FNDN101           | Composition 1 (*see note below)                         | Spring & Fall | 3        |
|                             | FNDN102           | Composition 2 (*see note below)                         | Spring & Fall | 3        |
|                             | FNDN103           | Expository Research Writing (*see note below)           | Spring & Fall | 3        |
|                             | FNDN145           | Modern World History                                    | Fall          | 3        |
|                             | FNDN499           | Graduation Research Project (*see note below)           | Spring & Fall | 2        |
| Global Business & Economics | ECON101           | Microeconomics  | Spring & Fall | 3        |
|                             | ECON102           | Macroeconomics  | Spring        | 3        |
|                             | ECON120           | Accounting  | Spring        | 3        |
|                             | ECON140           | Financial Management                                    | Fall          | 3        |
|                             | ECON150           | Financial Ethics  | Fall          | 3        |
|                             | ECON201           | Intermediate Microeconomics                             | Fall          | 3        |
|                             | ECON202           | Intermediate Macroeconomics                             | Fall          | 3        |
|                             | ECON220           | Financial Reporting & Analysis                          | Spring        | 3        |
|                             | ECON/JPNA230      | Japanese Economy & Business                             | Fall          | 3        |
|                             | ECON245           | Investment  | Spring        | 3        |
|                             | ECON260           | Marketing   | Fall          | 3        |
|                             | ECON270           | Money, Banking, and Financial Markets                   | Spring        | 3        |
|                             | ECON290           | Econometrics  | Spring        | 3        |
|                             | ECON315           | Derivatives   | Fall          | 3        |

|   |                   | PSYC/ECON349       | Consumer Psychology  | Fall          | 3        |
|   |                   | PSYC/ECON351       | Economic Psychology  | Spring        | 3        |

\*As a result of writing placement test, students will be placed in Composition 1 or Expository Research Writing course (completion of Comp1 is required for Comp 2)

\*Due to the nature of the class, Health & Physical Education 2 (Judo and Karate courses) can be taken after successful completion of Health & Physical Education 1 (Judo and Karate courses) or previous experience equivalent to completion of H&PE1 courses

\*If students wish to take seminar and GRP, students must consult the iCLA administrative office prior to enrolment at iCLA.
